## Principal's Message

### Dear Parents

Education for a child is a joint responsibility of parents & school. The greater the co-operation between us, the more fruitful be the result. The school is rolling with great commitment, continuous effort and great determination to achieve its goal. We have only one motive i.e. to provide the **best possible academic excellence for your child** and ensure that your child feels at home when he/she comes to school, feels enthusiastic & relaxed, takes curiosity in regular study, participates in various activities & competitions conducted in school or outside and remains self-confident.

This booklet is the **Annual Planner** of whole academic session. It comprehends the information of all the activities of the session 2024-25 like Exam wise syllabus detail, Syllabus division, Exam schedule, PTM schedule, Weekly test schedule, Co curricular activities & celebrations, Important rules of exam, Parents guidelines etc. It will assist you for making your session plan and guiding the child in the best possible way.

You are kindly requested to provide suitable environment, facility of study, cultivate good habits, appropriate daily routine, keeping watch over his/her whole day activities & habits, to check school diary daily, putting sign on weekly test / notices/circular etc, giving proper reply if the school gives any remark/notes to your child, giving own feedback through diary or by personal meeting on PTM or by seeking appointment. These are expected duties from a humble parent.

You are greatly honorable to us. Your suggestion & feedback are our guideline. We always appreciate it. We positively respond very quickly if any complaint or remark is made by the parents. Trust, that **Sunhill Academy** is the best school for your child. We feel pride and obliged that you have chosen this school for your loving child for their career. Here we are greatly busy developing the strong foundation of your child so that he/she may be able to face the challenges ahead as member of family, citizen of the nation and as good human being.

**You must remember:** *"A parent can give the best thing to his/her child that is his/her valuable time rather than providing physical comforts and facilities so spare few minutes with your child daily."*

Regards

**Pradeep Kumar Saini**
